MEDIA PARTNER

The **Red Hook Star + Revue**
The Revue is an independent newspaper founded in 2010. We have had a lot of fun chronicling this wonderful and diverse community. We have been here through Sandy and the fight for our ferry.
This year we have greatly expanded our arts coverage, and we hope you can find a little place for us in your reading habits.
Have a great day in the neighborhood.

THE STORY OF RED HOOK OPEN STUDIOS

The 4th Annual Red Hook Studio Tour brings together around a 100 professional artists and the general public, giving collectors and art lovers the opportunity to visit artist's studios, see their work and get a behind-the-scenes glimpse into their working processes.

It's FREE and kid friendly with so many artists and craftspeople working in diverse mediums, it is an exciting way for people to discover creative makers and acquire new art pieces.

If you prefer digital media, this map is also available at www.redhookopenstudios.com
